**Solemnity of the Most Holy Trinity**

In the Gospel this Sunday, Christ calls upon us to make disciples of all nations. You can join in this important work by giving to the Catholic Appeal, which funds the ministries that extend beyond our parish boundaries—ranging from Marriage and Pro-Life ministry, to Canonical Affairs and Office of Outreach and Cultural Diversity. If you would like to join with the universal Church in working to spread the Gospel message, please prayerfully consider a gift to the Catholic Appeal. To make a gift, please complete a pledge form available in the back of the church or visit [www.BostonCatholicAppeal.org](http://www.BostonCatholicAppeal.org).

*Eighty-three families have currently pledged \$13,480 to the Catholic Appeal.*

*Our food pantry works because of your generosity. We have all felt a crunch in our personal budgets. That's why your food and cash donations are more deeply appreciated at this time. We help provide food to an average of thirty families each time we are open. This means we need to restock our shelves regularly. We are always in need of paper towels, toilet tissue, and kleenex. Other items that move quickly are pancake mix, pancake syrup, cereal, jams and jellies. Thank you again for your prayers and support.*

Dear Friends,

This Sunday, the class of 2012 will graduate from East Bridgewater High School. I want to congratulate all of the graduates, especially the students who are members of St. John Parish. I also want to congratulate all of the seniors who are graduating from many other high schools in the area. May your future be blessed by God!

I want to encourage everyone who may be away on vacation during the summer months to remember St. John's in your vacation budget. I believe that everyone knows that we are having serious financial troubles here and had to make some staff reductions. If you are going to be away, please send in your contribution before you leave or simply place it in the collection plate when you return. Many thanks for your understanding.

Finally, the lift in the parish hall is no longer working. The company that installed the lift is out of business. The type of lift that we have is no longer one that can be approved for use in a public building. It has an inspection citation that says it can be in use until 2014. I have had one electrician examine it and it is his opinion that it can't be fixed. I will have another town electrician look at it as well to see if it can be repaired. But at this time the hall is not handicap accessible. I will inform the Schem Nursing Home that we cannot, at this time, be an evacuation center for their residents in the event that their building is not useable, as has happened once before. In case you are wondering- the cost to put an elevator in the church that would also service the parish hall is \$250,000.

God bless,  
Fr. Wally
